

Should we raise the minimum wage?

Read several articles from SIRS from those who support and oppose raising the minimum wage. (The link is on our google classroom site) Put key ideas from the articles in the T chart below:

Yes, Raise the Minimum Wage	No, Don't Raise the Minimum Wage

Read the Article from USA today, "California Reaches a Deal on \$15 an hour minimum wage." (This is posted on google classroom).

Summarize the article. What does the new law propose? Who supported the new law and who opposed it?

Should we raise the minimum wage?
