

The Fight For Rights Research Questions - A Movement

The fight for rights has a long history in the US. Now that you have your movement to research, see if you can answer the following research questions using your book or a source from the Gale Group.

1. When did your movement start? When did it end?
2. What were some of the reasons that your movement started?
3. Which group of Americans was your movement focused on fighting for?
4. What were some of the most important leaders in your movement?
5. What difficulties or opponents did your movement have to overcome to be successful?
6. How did your movement inspire other people to fight for their rights? What lessons does this movement have for people today?

7. What other facts or information did you find out about your movement that you think would be important to include in your slideshow?

List the sources you used to find the information above. Use the correct MLA source citation found in the Logan Research Guide.
