

Preparing for the Industrial Revolution Informative/Explanatory Essay

At the end of this unit you will be writing an informational/explanatory essay on the Industrial Revolution. The prompt will be:

After reading informational texts, write an essay in which you explain the positive and negative impact of the Industrial Revolution in Britain. Support your discussion with evidence from the five sources provided.

To prepare for this essay, during the unit list the positive and negative impact of the industrial revolution. Use examples and evidence from our course.

Positive Impact of Industrial Revolution in Britain	Negative Impact of the Industrial Revolution in Britain
